

Nathanial Ross, Full-stack Web Developer

Email: tobross@gmail.com Phone: (512) 529-6783

I am certified in computer coding skills on which an increasing number of businesses rely; strong experience in management. I am an able, enthusiastic, skilled, and reliable developer seeking a position that reflects my experience, skills, and personal attributes including dedication, meeting goals, creativity, and the ability to follow through. I aim to develop cutting-edge and meaningful applications to change lives and drive business.

Skills Summary:

- Javascript/jQuery and React.js, PHP, HTML5, CSS3, ES6/7, Express.js, Node.js, Node package manager (NPM), Yarn, Sequelize, Heroku, GitHub, SQL and noSQL databases.
 - Compliance trained in Occupational Safety and Health Administration (OSHA) Law & Regulations.
 - Microsoft Office Software including Word, Excel, and proprietary systems (retail, HEB).
 - Management experience in a large retail chain.
 - Excellent communication and organizational skills.
-

Experience:

Web Integrations Specialist, **FareHarbor**, March 2019 – present Denver, CO (Remote from Austin, TX)

- Integrate online booking software onto existing platforms across all CMS.
- Train new team members with hands-on coding experience using Javascript, jQuery, HTML5, and CSS3.
- Write internal help documents to establish standard practices across the company.

Teacher's Assistant, **University of Denver (UD)** September 2018 - April 2019 Denver, CO

- Reinforce lessons presented by teachers by reviewing material with students one-on-one or in small group. Mentoring, informing and implementing university and class rules to help teach students successful responses to expectations. Help teachers with record keeping, such as tracking attendance and calculating grades.

Web Developer, **Free Lance**, April 2018 – present Austin, TX

- Web Development, Multimedia Management, 2018
- Activities: Coding in the MERN full-stack from basic HTML to React.js.

Manager, Seafood Department, **HEB Grocery**, December 2008 - February 2018 Austin, Texas

- Providing a safe work environment, maintaining a high level of integrity, employment interviewing, training, developing and performance appraisals; customer service; ordering, display rotation, plan-o-gram compliance, SOP merchandising compliance, controlling shrink, product quality sanitation, food safety, inventory control, work scheduling; receiving, pricing, stocking, and signing of merchandise; and financial results. Participate with a total team mindset.
- Topping sales and growth charts. I devoted myself to the development of my peers and subordinates in this career. I judged my own success on the success of those around me.
- Completed the 7-week School of Retail Management (SORM) dedicated training course for managers.

Butcher, **Sprouts Farmers Market**, June 2011 - May 2012 Austin, TX

- Developed excellent meat-cutting skills, performed rigorous daily cleaning and sanitizing of the cutting

room.

Education:

The University of Texas at Austin April 2018 - July 2018 Certificate of Completion of the 12-week, immersive Coding Boot Camp at University of Texas (UT) Austin
